INTERVIEW SUMMARY

Applicant thanks Examiner Taha for the telephonic interview conducted with applicant's representative Andrew Foy on May 27, 2009. During the telephonic interview, Examiner Taha and applicant's representative discussed the fact that the Notice of Allowability issued on March 3, 2009 indicates that only claim 61 has been allowed notwithstanding that claims 1-62 are pending in the application. Examiner Taha indicated that the indication that only claim 61 had been allowed on the Notice of Allowability was a typographical error and that each of claims 1-62 has, in fact, been allowed.
